Wilkhahn
Confair 440 range

Make: Wilkhahn
Model: Confair flip-top tables, nest into one another
Design: Andreas Störiko

Models:
440/00 rectangular
440/2 curved on the long sides

Standards:
ANSI / BIFMA X 5.5

Table dimensions:
Height to top edge of table top: 73 cm
Depth x width:
Model 440/00 rectangular
90 x 180 / 200 / 210 / 220 / 240 / 260 / 280 / 300 cm
100 x 180 / 200 / 210 / 220 / 240 / 260 / 280 / 300 cm
105 x 180 / 200 / 210 / 220 / 240 / 260 / 280 cm
110 x 180 / 200 / 210 / 220 / 240 / 260 / 280 cm
120 x 180 / 200 / 210 / 220 / 240 / 260 cm
Model 440/2 curved on the long sides
90/110 x 260 cm
90/120 x 180 / 240 / 260 / 280 cm

Weight:
Size 90 x 260 cm: 65.23 kg (depending on the model and design without packaging)

Function:
Mobile table range with table tops that can be flipped up on their horizontal axes, table tops partitioned in the middle for versatile use in conference, presentation and meeting rooms, as well as in multi-purpose areas and office environments.
When flipped up, tables nest into one another and save space, dimensions when flipped up: approx. 20 cm per table (measured from the middle axis of each table to the next).
The table top can be flipped up easily with both hands and without any tools required. Swivel the table top downwards by just pressing down on it. It doesn't have to be locked in place in either position.

Frame:
Foot section made of die-cast aluminium, coated (black or silver satin finish)
Optional: Foot section bright chrome-plated or polished
Upright made of aluminium profile coated (black or silver satin finish)
Optional: Clear anodised or bright chrome-plated upright
Uprights made of aluminium profile, coated (black or silver satin finish) Clear anodised uprights
Connecting bar, coated (black or silver satin finish)
Optional: connecting bar bright chrome plated (only when combined with a chrome-plated foot section and upright)
Lockable castors with tyre made of black polyamide, 10 cm in diameter

Table top:
Laminboard class E1
Concealed wood lipping all the way round, optionally bullnose wood or straight lipping, with integral, impact-resilient profile in black elastomer
Edge profiles:

Wilkhahn

Confair 440 range

Table top surface:
Table top group 1– laminate
Table top thickness 26 mm
Laminate based on Wilkhahn colour and surface finish samples with laminated beech lipping, natural oiled finish

Table top group 2 – veneer
Table top thickness 26 mm
Variation 1:
Beech veneer based on Wilkhahn colour and surface finish samples with laminated beech lipping, oak or ash veneer based on Wilkhahn colour samples with lipping, as far as possible to colour-match the veneer
Variation 2:
Maple, walnut or elm veneer, as well as Wilkhahn Mocca veneer from the Wilkhahn colour samples with lipping as far as possible in the same colour as the veneer
Veneer types:
As a standard, the veneers are produced using the slip-match method
Some specific growth features are possible
Surfaces sealed with clear lacquer:
Open-pore: oak, ash, walnut and elm veneer, as well as Wilkhahn Mocca veneer
Closed-pore: maple and beech veneer

Table top group 3 – linoleum:
Table top thickness 27 mm
Linoleum from the Wilkhahn colour samples, with laminated beech lipping, natural oiled finish

Optional: Customised options possible on request. Shapes, dimensions, surfaces and edges after feasibility has been tested
Special designs to suit customer's preferences after clarifying technical details with Wilkhahn

Environmental product information:
Materials used in size 90 x 260 cm: wood 68.43%, steel 6.48% aluminium 20.73%, plastics 4.16%
Returns, disassembly and recycling:
All Confair flip-top table components can be dismantled non-destructively.
To ensure that materials can be sorted according to type, all components weighing more than 150 g have been labelled accordingly. No agents to protect materials or organic halogen compounds are used which would prevent subsequent recycling. In total 90 per cent of the table can be recycled.
For more information see: http://www.wilkhahn.com/green

Accessories:
Optional: Table-table-connectors (model 613): two swivel-mounted, lockable circlips made of black-coated sheet steel with four star-grip screws
Optional: Integrated techni-station Rotate with 3 modules (model 701/60), 4 modules (model 701/70), or integrated techni-station Compact with 3 modules (model 701/95). Clear anodised aluminium body, sides made of plastic similar to RAL 9006, black plastic modules, swivel-mounted frame, pre-wired and prepared for assembly, with cables
Optional: single table portal set with brush profile: Portal the same colour and material on both sides, flush with the table surface, cut-out section on the table top with genuine wood lipping all around, as far as possible in the same colour as the table top, with hinges that open 180°, single table portal dimensions: 300 x 150 mm. Cable basket for assembly underneath the table top (for inserting outside the underframes), or storage mesh (for inserting within the underframes). Mount (metal bracket) for power strips. Cable clips made of black, glass fibre-reinforced polyamide to accommodate the vertical cable management system on the table frame's upright
Optional: Single table portal Basic set: Clear anodised aluminium body, with portal and brushed profile, frame placed on the table top, opening angle 90°. Single table portal Basic dimensions: 300 x 120 mm. Cable basket for assembly underneath the table top (for inserting outside the underframes), or storage mesh (for inserting within the underframes). Mount (metal bracket) for power strips. Cable clips made of black, glass fibre-reinforced polyamide to accommodate the vertical cable management system on the table frame's upright
Optional: Socket strip (models 708/1, 708/2, 708/4, 708/5, 708/6), 3-5 modules can be selected with various configurations comprising electricity and/or data, and/or VGA, with the appropriate leads
Optional: Supply cable, 3 x 1.5 mm², black, Schuko right angle plug + jack GST18/3, length approx. 300 cm (model 708/8) or extension lead, 3 x 1.5 mm², black, plug + jack GST18/3, length approx. 100 cm (model 708/9)

On request multi-media equipment can be integrated when table top group 3 is chosen
